Your guide to Royal Mail's new postal prices

from 6th April 2009

This price guide is one of three separate brochures:

- **International contract services**
- Business mail services
(e.g. First and Second Class, Special Delivery™, Cleanmail®, Packetpost™, Airmail and Response Services)
- Marketing and bulk mail services
(e.g. Mailsort®, Walksort®, Presstream® and Door to Door)

You can download any of these guides at www.royalmail.com/prices2009

Of course, if you have any questions about our prices or services, or need advice on which services may be best for your business, just call our Business Customer Helpline on **08457 950 950** between 8am and 7pm, Monday to Friday.

This price guide replaces last year's – so now that you no longer need your 2008 guide, please recycle it rather than throw it away. It's made of 100% recyclable paper.

When you have finished with
this brochure please recycle it.

Sending mail overseas

International No Sort

The fastest and easiest way to send mail overseas with no sortation. Just address and bag your mail and leave the rest to us.

International No Sort	
Price per item	Price per kg
£0.29	£7.66

Maximum weight limit per item is 2kg. You must spend a minimum of £2,500 per year to qualify for the service.

International Format Sort and Unsorted

International Zone Sort has been renamed International Unsorted, because, from 6th April, you will no longer need to sort your mail for Europe and Rest of World.

International Format Sort and Unsorted services offer you a cost effective, high quality way to distribute your international business mail. Preparation is easy – you don't have to buy stamps or use a franking machine and you can send all types of business mail, printed or personal, as well as goods up to 2kg.

Discounts awarded to customers paying for the applicable service via a Royal Mail Account only. Discount is applicable per sales order. All items must be mailed from the same site and be of the same format, class and service to qualify (e.g. you won't get the discount if you combine First Class with Second Class items, or Letters with Packets).

International Destination Sort™

Sort your international mail by destination and type and save money. And if you're sending printed materials (newspapers and books) to a single address using a labelled 'M-bag', you could save even more. Pricing is on a country basis and by format worldwide.

International Bulk Mail

With International Bulk Mail, you'll earn a significant discount for sorting your International Bulk Mail from your UK Bulk Mailings. This service makes international mailings as easy as UK mailings. Just hand us your international mail in a separate bag and we'll do the rest.

Helping overseas customers respond

International Licence Fees

Our International Response Services help you form closer relationships with customers in far flung places. The easier you make it for them to respond, the more likely you are to find new customers and keep existing ones.

To use any of the Response Services listed below, you'll need to sign up for the appropriate annual licence. Once you've signed up, you'll only pay postage for the replies you receive.

International Business Reply Service (IBRS)

Make it easy for your international customers to respond to you.

Our International Business Reply Service (IBRS) lets your international customers send reply paid mail to you free of charge from over 200 countries worldwide, using special pre-paid response envelopes, cards or labels.

You can use IBRS Enhanced for larger items with no commercial value.

International Stamped Response

Your international customers are more likely to respond if you provide them with a local return address. And with International Stamped Response you keep the postage costs down for your customers, without paying the full amount yourself.

International Admail

You can provide your customers with a local PO Box return address they can use free of charge for letters and packets. Because it's a PO Box you can manage your responses more easily and your customers will see a discreet, professional return address. International Admail Letters can be used in 14 European countries and the USA. International Admail Packets can be used in eight European countries.
